

WEEKLY FEEDBACK REPORT

Data Visualization Internship
Week - 2

Data Visualization Trainee Internship Week-2 Feedback Report

Team Name	Data Visualization Trainee Internship - Team 7
Role	Data Analyst

Performance Rubric (Rated out of 5 Stars)

Criteria	Rating	Comments
Visualization Quality	★★★★☆	The visualization is mostly effective, clear, and structured with only minor adjustments needed for optimization.
Design & Aesthetics	★★★★☆	The visualization is well-designed overall, though small refinements could improve aesthetics and user experience.
Data Accuracy & Integrity	★★★★☆	The data is accurate and structured, with minor issues in citations or clarity.
Effort & Improvement	★★★★☆	Some improvement effort is shown, but further iterations and refinement would significantly enhance the output.
Timeliness of Submission	★★★★★	The visualization was submitted on time or early, in the correct format, and ready for immediate review.
Submission Format Compliance	★★★★★	Submission was fully compliant with all format, naming, and deadline requirements, reflecting professionalism and attention to detail.

Areas Where You Excelled

- ✓ Visualization Quality: Well-designed and mostly effective visualization with minor areas for improvement in clarity or detail.
- ✓ Design & Aesthetics: Good design with minor improvements needed to improve readability or visual polish.
- ✓ Data Accuracy & Integrity: Data is mostly accurate and complete with minor inconsistencies or citation gaps.
- ✓ Timeliness of Submission: Visualization was submitted on or ahead of time, reflecting excellent time management and responsibility.
- ✓ Submission Format Compliance: Visualization submitted in the correct JPEG/PNG format with proper file naming and no formatting issues.

Areas for Improvement

- 🎯 Effort & Improvement: Basic effort made, but more improvements are needed for quality output.
-

Final Thoughts & Next Steps

Great progress this week! Your focus on visualization quality, design aesthetics, and data accuracy has been evident. Consistency in execution, attention to detail, and continuous improvement are key to achieving excellence. Keep refining your approach to enhance overall effectiveness.

Keep pushing yourself, and don't hesitate to ask for support, we're here to help you grow. Excited to see your continued progress. On to the next phase.

Congratulations on completing Week 2!
